COUNTY OF LOS ANGELES
SHERIFF'S DEPARTMENT

INVESTIGATIVE SUMMARY

INCIDENT:	Deputy involved shooting / Non-hit
IAB FILE NUMBER(S):	SH 2430280 / FO 2430323
URN#:	017-04944-1515-057
DATE/TIME:	June 26, 2017 / 0853 Hours
LOCATION:	Smith Park, 6016 Rosemead Boulevard, Pico Rivera

On Monday, June 26, 2017, an Internal Affairs Bureau (IAB) team comprised of Lieutenant Albert Maldonado, Sergeant Michael Maxwell, and Sergeant Eric Barron responded to Smith Park in the city of Pico Rivera, regarding a deputy involved, non-hit shooting.

SYNOPSIS

The following narrative includes summarized statements as provided by all involved employees. Additional information and precise wording may be obtained by reviewing the audio recorded interviews and verbatim transcriptions submitted within this case.

On June 26, 2017, at approximately 0830 hours, Pico Rivera Station received a call of a suspicious person who was "doing donuts" or driving a vehicle in a tight circle while accelerating, on a baseball field **(EXHIBIT A).**

IAB Note: The day prior, a similar call for service was received from the same location in which a vehicle matching the same description, nearly struck a child at the park. The vehicle fled prior to the deputies' arrival and the suspect remained outstanding. The suspect vehicle was described as a silver, two door, Mazda pick-up truck, license plate# [redacted]. An assault with a deadly weapon report was taken under Pico Rivera URN# 017-4928-1513-053 **(EXHIBIT B).**

Prior to the call being dispatched, Deputy Monreal received a phone call from Deputy Roy Sanchez who was off duty at the time. Deputy Sanchez relayed information he received from the Smith Park [redacted], Witness [redacted]. Witness [redacted] told him (Deputy Sanchez), a male in a silver Mazda pick-up truck was driving his vehicle erratically at Smith Park. Deputy Monreal responded to Smith Park to further investigate

the incident. Deputy Monreal said he did not receive a call for service on his Mobile Digital Computer (MDC), prior to his arrival at Smith Park.

Upon his arrival at Smith Park, Deputy Monreal said numerous people waved at him and appeared panicked, pointing toward the baseball fields. As Deputy Monreal approached the baseball fields, he saw the silver Mazda truck, occupied by Suspect Remijio, on the southwest baseball field doing "donuts." Deputy Monreal feared the suspect would drive off the field and assault the park patrons as reported the previous day.

IAB Note: Entrance to the baseball field was made through an opening on the northwest side of the field. The opening measured approximately 31'8" in width and was the only entrance or exit for vehicles onto the field.

Suspect Remijio drove his vehicle directly at Deputy Monreal's patrol vehicle. To avoid a head on collision, Deputy Monreal turned his patrol vehicle to the left which caused Suspect Remijio's vehicle to strike the front passenger side quarter panel. Suspect Remijio maneuvered his truck in a circular motion and side swiped the passenger side of Deputy Monreal's patrol vehicle and drove south in the field. Suspect Remijio then maneuvered his truck in a circle and accelerated toward Deputy Monreal and collided head-on into the front of Deputy Monreal's patrol vehicle. Deputy Monreal initiated emergent radio traffic stating a "Mazda" collided with his patrol vehicle Deputy Monreal drove toward the silver Mazda truck in an attempt to corral the vehicle and prevent him from leaving **(EXHIBIT C).**

Deputy Monreal, feared for his life, drew his firearm, and partially exited his patrol vehicle. Deputy Monreal kept one foot on the brake and used the "A" pillar of his patrol vehicle for cover. Deputy Monreal pointed his firearm at Suspect Remijio and gave him verbal commands to stop his assaultive actions; however, Suspect Remijio continued to accelerate his vehicle. Suspect Remijio briefly reversed his vehicle and rammed Deputy Monreal's patrol vehicle once more. Deputy Monreal, feared for his life and fired several rounds from his firearm at Suspect Remijio. Deputy Monreal initiated emergent radio traffic which indicated he had been involved in a shooting **(EXHIBIT C).**

Suspect Remijio continued to accelerate his vehicle and did not appear to have been struck by gunfire. Deputy Monreal reached inside of the patrol vehicle and placed it in park. Due to his surroundings and lack of options for cover, Deputy Monreal decided to continue to use his vehicle for cover. Deputy Monreal repositioned himself back by the "A" pillar of his patrol vehicle. Deputy Monreal gave several verbal commands for Suspect Remijio to turn off his vehicle. He did not comply and continued to accelerate his vehicle. While Suspect Remijio accelerated his vehicle, Deputy Monreal observed him reach down and feared he was arming himself with a weapon. Deputy Monreal fired several more rounds from his firearm at Suspect Remijio to stop the threat.

IAB Note: Deputy Monreal fired 12 rounds in total. It was not clear exactly how many rounds were fired during the first or second volley of gunfire.

IAB Note: Forensic Identification Specialist, Deputy John Vanderschaaf, #[redacted] responded to the location. Deputy Vanderschaaf recovered Deputy Monreal's Smith & Wesson, M&P9, 9mm Luger caliber, semiautomatic pistol, serial number[redacted] one magazine; and six (6) 9mm Luger caliber cartridges (Winchester T-Series brand) and transported Deputy Monreal's weapon for examination **(Miscellaneous Documents).**

Deputy Monreal saw the suspect slouch down and peak over the top of the steering wheel. Deputy Monreal ordered Suspect Remijio to show his hands, but he did not comply and continued to accelerate his vehicle.

Pico Rivera Station Unit 152, Deputy [redacted] was the first assisting unit to arrive. Deputy [redacted] immediately recognized the suspect vehicle as being involved in an assault with a deadly weapon call on June 25, 2017. Deputy [redacted] utilized the Public Address (P.A.) system in the patrol vehicle to give the suspect verbal commands to turn off the vehicle and show his hands. The announcements were made in both English and Spanish. Suspect Remijio was not compliant with the verbal commands. Suspect Remijio raised the volume of his radio and displayed gang signs with his hands. Suspect Remijio continued to depress the accelerator which caused his vehicle's wheels to spin forward into Deputy Monreal's patrol vehicle.

Assisting Units 152K Deputies [redacted] and [redacted] 151F Deputy [redacted] 151M2 Deputy [redacted] 151T1 Deputy [redacted] Detective [redacted] and 150S Sergeant [redacted] all arrived within minutes of the emergent radio traffic. Upon his arrival, Sergeant [redacted] directed all deputy personnel on scene to step back and take a position at the rear of Deputy [redacted] patrol vehicle.

A Sheriff's Department airship arrived on scene and began to orbit. Sergeant [redacted] used his hand held radio and asked the airship if they could observe the suspect's movement from their position. The airship made several announcements for the suspect to exit his vehicle, which were ignored. Detective [redacted] requested the Pico Rivera Station desk call the Special Enforcement Bureau (SEB) to advise them of a barricaded suspect inside of a vehicle.

IAB Note: At the time of the request for SEB, smoke started to billow from the suspect's vehicle, obstructing deputy personnel's view of the suspect.

Sergeant [redacted] began to formulate a tactical plan to handle the situation. Sergeant [redacted] assigned Deputy [redacted] and Deputy [redacted] as the lethal options. Deputy [redacted] deployed his Department issued patrol rifle and Deputy [redacted] deployed his

Department issued shotgun. Deputy [redacted] and Detective [redacted] were assigned less lethal and both deployed Department issued Tasers. Deputy [redacted] and Deputy [redacted] were assigned as the arrest element of the team.

IAB Note: Deputy [redacted] was also equipped with a Department issued Taser.

As the tactical plan was discussed, Suspect Remijio suddenly opened the driver's door and exited the vehicle. Deputy [redacted] continued to give Suspect Remijio verbal commands to turn around and put his hands in the air. Suspect Remijio ignored several verbal commands and continued to walk toward deputies who were approximately 50 feet away. Suspect Remijio extended his arms out in front of himself, his wrist and palms together, as if he was surrendering. Suspect Remijio was given verbal commands to lay on the ground, but did not comply and continued to close the distance on the deputies.

Based on Suspect Remijio's life threatening actions toward Deputy Monreal, coupled with his erratic behavior and non-compliance with lawful orders, Sergeant [redacted] ordered the less lethal element of the arrest team to deploy their Tasers. In near simultaneous fashion, three Tasers were deployed. Detective [redacted] was the first to fire his Taser. Detective [redacted] saw one prong make contact with the left side of Suspect Remijio's upper body. Suspect Remijio quickly bladed his body which caused the second prong to miss and rendered the Taser ineffective. Deputy [redacted] was the second deputy to deploy a Taser. Suspect Remijio bladed his body which caused both Taser prongs to miss. Deputy [redacted] was the third deputy to deploy a Taser. Again, Suspect Remijio bladed his body preventing the Taser prongs from making contact.

Suspect Remijio removed the one Taser prong from his upper body, turned away from deputies and attempted to run away. Suspect Remijio appeared to have tripped. The suspect fell to the ground and landed on his stomach. Deputies [redacted], [redacted] and [redacted] immediately closed the distance on the suspect.

Detective [redacted] straddled the suspect's lower back and used his body weight to control the suspect's movement. Detective [redacted] grabbed both of the suspect's arms and attempted to place them behind his back. Suspect Remijio pulled his arms away from Detective [redacted] and placed them under his stomach. Deputy [redacted] placed his upper body toward the top of Suspect Remijio's back in an attempt to keep the suspect from getting to his feet. Suspect Remijio began violently thrashing his body from side to side in an attempt to free himself.

Numerous verbal commands were given to Suspect Remijio to stop fighting and place his hands behind his back. Suspect Remijio did not comply and continued to struggle on the ground. Detective [redacted] removed the cartridge from his Taser and delivered a drive stun to Suspect Remijio's lower back. The drive stun had a positive effect, which caused the suspect to let out a loud yell and allowed Deputy [redacted] to gain control of his left arm. Deputy [redacted] placed Suspect Remijio's left arm behind his back. With the assistance of Deputy [redacted] the left wrist of Suspect Remijio was handcuffed.

Deputy [redacted] attempted to gain control of Suspect Remijio's legs by wrapping her arms around them; however, the suspect continued to kick his legs toward her. Detective [redacted] used a second drive stun move to the lower back of Suspect Remijio. The Taser was not effective and Suspect Remijio grabbed a portion of the Taser frame with his left hand. Deputy [redacted] kicked the suspect two times on his shin with no effect. Suspect Remijio continued to pull on Detective [redacted] Taser. Deputy [redacted] then reached under Detective [redacted] right hand and attempted to pull the Taser away from Suspect Remijio's grasp. During the struggle, the Taser was activated making contact with Deputies [redacted] and [redacted]. Detective [redacted] in fear of losing his Taser, struck the suspect two times with his right knee on his upper back. Sergeant [redacted] who also feared the suspect would gain full control of the Taser, kicked the suspect two times in the back. The knee strikes and kicks allowed Detective [redacted] to gain full control of his Taser. Detective [redacted] was then able to hand his Taser to Sergeant [redacted].

Deputy [redacted] who had been assigned the AR-15, asked Sergeant [redacted] to assist him in clearing the suspect's vehicle. Deputy [redacted] was concerned for his partner's safety as the vehicle had not been cleared. Deputy [redacted] and Sergeant [redacted] quickly cleared the vehicle. Deputy [redacted] placed his rifle in the trunk of a patrol vehicle and went to the aide of his partners who continued to struggle with the suspect.

Suspect Remijio remained on the ground with his right hand underneath his body. Additional verbal commands were given to Suspect Remijio to stop fighting and place his hands behind his back. Suspect Remijio continued to ignore the commands. Suspect Remijio used his right hand and grabbed the cord to Detective [redacted] hand held radio and pulled him toward the ground. Deputy [redacted] immediately kicked the suspect three to four times in the abdomen and gave him verbal commands to stop fighting. Deputy Monreal delivered four to six knee strikes to the top of the suspect's head. Deputy [redacted] delivered one punch to Suspect Remijio's stomach. Sergeant [redacted] drive stunned Suspect Remijio on his lower back which was ineffective.

Suspect Remijio continued to fight with deputies and kicked Deputy [redacted] on the chin. Deputy [redacted] retrieved a hobble restraint from Deputy [redacted] and placed it around the suspect's knees with the assistance of Detective [redacted] Suspect Remijio continued to fight and a second hobble restraint was placed over his ankles.

Deputies [redacted] and [redacted] were able to gain control of the suspect's right arm. Deputies [redacted] and [redacted] were able to pull the suspect's arm from underneath him and place him in handcuffs with the assistance of Deputy [redacted]

Suspect Remijio still continued to fight and was spitting in the direction of deputy personnel. Deputy [redacted] retrieved a spit mask and placed it over Suspect Remijio's head. Sergeant [redacted] then directed a Total Appendage Restraint Procedure (TARP) be applied. Suspect Remijio remained in the TARP for approximately seven minutes. Deputies [redacted] and [redacted] monitored the suspect's vital signs until the

arrival of Los Angeles County Fire Department, Engine 25, under the command of Captain Wulver.

IAB Note: The spit mask was designed with mesh netting and bacteria-filtering fabric to restrict the spread of biological contaminants by the subject while still ensuring full visibility and breathability. A Spit Mask protects personnel from exposure to the risk of serious infection from Hepatitis C and other infectious diseases transmitted by a combatant or violent person spitting saliva or infected blood in their face.

IAB Note: A Total Appendage Restraint Procedure (TARP) consists of simultaneously securing all of a person's limbs (arms and legs). The individual's arms (wrists) are immobilized with handcuffs, and their legs are immobilized with the Ripp Hobble restraint device. The clip end of the hobble restraint was then connected to the chain on the handcuffs.

Suspect Remijio was transported to Beverly Hospital for further medical treatment and evaluation. Suspect Remijio's medical records were submitted with this case as **(EXHIBIT D).**

Deputy Monreal, Deputy [redacted] and Detective [redacted] were transported to Presbyterian Intercommunity Hospital, 12401 Washington Boulevard, Whitter, for injuries sustained while taking Suspect Remijio into custody.

All reports are submitted with this case as **(EXHIBIT E).**
